

Letter to the Texoma Travelers Club

Dear Members,

David and I have been blessed to lead this group of fun, loving RV travelers since taking the reins in 2017. Since accepting the leadership from Kurt & Teresa Pennington, our club has grown from 12 or so to 290 RVs. Planning and hosting 12 rallies and a few caravans. During that time, we dealt with 2 years of Covid which greatly affected our club's ability to host events as we held our club together.

At this time, David and I are ready to pass the torch to another couple. Enthusiastic leadership that will bring fresh ideas, activities, and locations. We will continue as your club leaders leading up to the fall of 2023. This will give us some time to identify new leaders and work with them to get them prepared to take over as club leaders, the secretary position, and host events. Tim & Carol Hunt prefer to continue as assistants with Carol Hunt serving as treasurer.

If you are willing to step up, if you have the time to dedicate as club leaders, or have questions or concerns about accepting leadership, please let us know. We have poured our heart in soul into the Texoma Travelers Club. We want it to continue with healthy growth and participation. We want to continue as members to rally & travel with all of you.

Respectfully Submitted, David & Sandy Clinkenbeard
