

All LTV Caravan by Fantasy RV Tours

in the Canadian Maritime. July 3rd -August 5th,2023

Sandy and I were unable to arrange the caravan to Alaska that many have shown interest in. The Canadian border just opened recently for recreational travel. All the RV tour companies are all booked up for Alaska Tours during 2022 & 2023. Many with unfilled reservations from 2020 & 2021 are getting first opportunities to the caravan trips next year. Some of you have suggested taking some other tour.

So, we have negotiated with Fantasy RV Tours for an entire caravan to fill with our LTVs. All of their 2022 caravans to the Atlantic Provinces up there are full. We have convinced them to give us one of two of their scheduled caravan events in 2023 to fill.

The fixed price, per couple will be \$8,995.00 + \$89.00 processing fee. Total price= \$9,334.00. Single guest price will be \$7995.00 + \$89.00 if you book in this year of 2021.

A 15 % deposit of \$1,438.25 for a couple and \$1288.25 for a single will be required to secure your place on the caravan.

\$100 off for Good Sam or FMCA members.

A discount of \$200 if you pay it off by check.

This will be an exclusive 23 Leisure Travel Van caravan with exception of the two tour guides. We will be offering this opportunity to the Texoma Travelers membership first. You must be a chapter member of a LTV travel club & own / drive your LTV during the caravan. We have already reached out to the other 12 LTV travel chapters to fill the remainder of 22 spots + 7 alternate RVs.

As of 3/15, there are 7 RV spots remaining.

This will be the Atlantic Province Select Plan 34 day caravan in their online publication: FantasyRVTours.com

Included are: 58 Events & Meals

31 Camping nights

5 states/provinces

2,021 driving miles

144 average miles per day

Moderate activity rating

As we are told:

There will be a 4 to 6hr. ferry crossing over and back during the caravan.

Those with traveling pets, must kennel them unattended in your RV during the crossing and rent a kennel up on a upper deck.

The expense of your RV on the ferry is included in the caravan price. However, if you tow a vehicle onto the ferry, you will be charged an additional fee of at least \$250 and subject to change in 2023.

If you have further questions regarding the caravan, please contact Fantasy RV Tours at 800-952-8496. Sandy & I are not leading nor responsible for refunds, changes in pricing, or the caravan schedule, and trip guarantees. This will be a “first to book, are first go” list. Cancellations will be filled with the first alternates. The size cannot expand from 23 RVs. You can visit [Fantasy RV Tours.com](http://FantasyRV.com). Find the Atlantic Provinces Select 34 days. Starts at Bar Harbor (Acadia NP) ends at Cavendish, PEI. Our tour, same as the Winnebago tour was removed for our exclusive booking.

Follow these directions precisely:

1. Call 800-952-8496 to book, do not do it online.
2. Say you are registering for the Private Tour for Leisure Travel Vans Club. The tour code is 34APR-07323.
3. The tour begins on 7/3/23 and ends 8/5/23.
4. The tour is marked as 'sold out' on the website. Ignore that and call to book. There is a duplicate tour currently marked as a Winnebago tour- it is the same itinerary to look at for a reference.

We are the first to book our spot on the caravan. This trip is a huge leap to personally plan for. Please take everything in your life with some consideration before you make this commitment and make your deposit.

Sandy & I hope to have a grand trip to places we have never travelled to. To gain fond memories with a group of fellow LTV owners. We will attempt to track the names and the RV count as the list progresses to fill. We are planning to keep those interested informed. There will likely be some caravanning to and from the Fantasy tour and an optional rendezvous with the Quebec club at the end of the Fantasy caravan.
